

Our **Spanish for teenagers course** takes place in **Tarragona**, a pleasant coastal resort approximately 100 km south of Barcelona (86 km from the airport). Tarragona is a provincial capital and has a population of around 115,000. It is situated on the **Costa Dorada** and is an ideal location for a teenage program of this kind. The town is lively, but not too big; it has its own sandy beaches within walking distance of the school; it is very close to Port Aventura (one of Europe's largest theme parks) and is only an hour from Barcelona by bus or train.

Our **partner school** in Tarragona was founded in 1980. The school building is located close to the main street (la Rambla) in a typical house in the heart of Tarragona city. It has two floors and a total of 10 spacious classrooms as well as a study and recreation room for the students. The school offers English courses all year long to the local population as well as Spanish courses in the summer in cooperation with our partner school in Barcelona.

The **Spanish course** includes **15 lessons per week from Monday to Friday** (from 10.00 am - 1.00 pm) with a maximum of 12 students per class. The course is open to all levels from beginners to advanced. Classes are given by a team of experienced, professional teachers who have been specifically trained to teach Spanish as a foreign language. The classes will focus on the students' communicative skills so that they are able to use their Spanish outside the classroom.

All students can choose between two different types of **accommodation**, a local host family or a student residence. Arrival is on Sunday before course start and departure on Saturday after the course ends. Full board is included in both accommodation types and usually students stay in shared rooms.

1. Host Family: The school carefully selects all host families who provide students with comfortably furnished room, basic laundry facilities, bed linen and towels. Some of the host families live within walking distance of the school. However, in many cases it will be necessary for the students to take a bus from their family to the school. A 30-day student bus pass, which allows 4 journeys per day, is included.

2. Sant Jordi Student Residence: is located in the city centre, less than 15 minutes walk from the school. Accommodation is available in spacious double or triple rooms with sheets and towels provided. The bedrooms are equipped with wardrobes, writing desks and chairs, desk lamps, bookcases and mirrors. Facilities include a TV lounge, a computer room, separate study rooms, and a small gymnasium. Washing machines are also available for a small charge. There is a 24-hour reception service.

Notes : Students with dietary restrictions or any other special needs are requested to make these known in advance. The school operates a curfew policy which ensures that all students are back at their accommodation by 11.30pm, and on Friday/Saturday at 01.30am. This policy is strictly enforced both by the host families and the monitor at the residence.

The course includes a very **full program of excursions and other activities** with all costs covered by the course fee. **Sample activities and excursions:** orientation walk around Tarragona, welcome party, competition, Aquopolis water park, Arrabassada Beach, sports, picnic on the beach, karaoke, bowling, workshops, visit to the Roman walls & aqueduct, Poblet & Montblanc, full-day excursion to Barcelona, Port Aventura etc.
